# MIT Enterprise Forum Start-Up Lab

**Presenting Company:** Unyos, LLC

Unyos will be critiqued by a professional panel from the management, marketing, scientific and investment fields. This educational session is open to the public and other entrepreneurs who want to learn from their peers.

**Date and Time:** November 12, 2009  
6:30 - 9:00 PM

**Location:** Center for Advanced Research in  
Biotechnology (CARB)  
9600 Gudelsky Drive, Rockville, MD 20850

**Registration:** Visit [www.mitef.org](http://www.mitef.org) to register or call  
Rockville Economic Development, Inc.  
(301) 315-8096

**Cost:** Free for MITEF members, \$35 for all others  
Includes refreshments

Unyos provides a highly-secure suite of business-to-business communication and social networking tools for driving new revenue streams and improving internal operations. Though the platform is generic, Unyos' focus is on health care because of the domain expertise of the founders and management.
